Pacific Art Group creates and manufactures private label finished art for distribution to the national retail industry. Our private brands framed art is available in mediums ranging from one-of-a-kind original art with custom designed hand made frames to multi-originals, embellished giclee's and off set lithography fine art prints. With a staff of more than 130 multi-talented artists, artisans, and framers we create exclusive fine art imagery for key national retailers. All of our design, production and manufacturing facilities are located in North America. Our goal is to redefine the way art is sold by making it accessible and affordable for all who want to brighten their environment with fine art.

With over 30 years of experience in the national retailing, manufacturing and the art industry, we have created a vast collection of imagery in contemporary and transitional styles for use in home as well as commercial environments. As a magnet for emerging new artists and fine art concepts, we continually bring fresh talent and distinct, trend-relevant home décor products to the marketplace. Our finishing and framing manufacturing facilities allow us to not only produce in volume but also to design and finish our imagery to the specifications of our individual retail customers. As merchants we work closely with our retail customers to create a finished fine art assortment developed by category, color, image, size and price point. Our product is exclusive, copyrighted and developed to enhance revenue, margin and turn for each of our customers. Our ability to provide proprietary finished imagery and image based products is unmatched in the industry. Retailers rely on Pacific Art Group to provide:
